

To Referral Workers/Community Workers:

Enclosed is the calendar for our program year beginning October 27, 2011 – April 13, 2012.

Our Intake Packages (referral package):

- Intake Package “A” is for Guest Information
- Intake Package “B” to be filled out by Referral Workers only
- Appendix A if required
- Please note new changes to our application process. Each guest will need to submit a TB Test (Tuberculosis Test) **prior** to their application being reviewed by intake panel.

In order for clients to be eligible for programs they need to have packages submitted no later than application deadline date, and referred by a referral/community worker. **Please note that incomplete packages will not be reviewed.** Our package is available on-line at ITHA website www.intertribalhealth.ca. If you would like a copy emailed/faxed/mailed to you, please contact Fawn or Marina at the contact information below.

We look forward to working with you and your communities in providing a safe environment to support a community-based system of healing to former students and their families who have been affected by the legacy of physical and sexual abuse suffered in Residential School.

Hychqua, Gilakesla, Kleco Kleco!

Sincerely,

Emmy Manson
